

Welcome to Colchester Bike Kitchen

We're doing things a little different to usual for everyone's safety. It's annoying, we know, but hopefully things will be back to normal soon. Our number one priority is your health and the health of our volunteers.

We're operating at a reduced capacity at the moment, so please be patient.

Please read the following carefully and follow our guidelines when using CBK:

- Wait behind the line to be served
- Stay within your allocated workspace
- We recommend you wear a face covering
- Please use the hand sanitizer provided
- Only CBK mechanics are permitted inside the workshop. Please ask one of us if you'd like to borrow a specialist tool or purchase any spare parts and we'll go and fetch it for you.
- Card payments are recommended, contactless preferred
